Ventriloquism in the Bible.
Ventriloquism, which is described as "speaking from the belly," has its first historic mention, as far as we are aware, in Isaiah xix, 4, "And thou shalt be brought down and shalt speak out of the ground, and thy speech shall be low out of the dust, and thy voice shall be as one that hath a familiar spirit, out of the ground, and thy speech shall whisper out of the dust."
—Brooklyn Eagle.

Resourceful.

"Here!" roared the old lawyer to his son, studying law with him. "You told me you had read this work on evidence, and yet the leaves are not cut."

"Used X rays," yawned the versatile son, and the father chuckled with delight as he thought what a lawyer the boy would make.—London Punch.

The One Exception.

"Of course," said Henpeck. "I don't always do what my wife tells me!"

"What?" exclaimed Meeker in surprise.

"No; you see if she's in a sarcastic mood when she orders me to do anything I know she wants me to do just the opposite."—Philadelphia Press.
